National Weather Service - Rainfall Estimates through Saturday

Rainfall Total Forecast

This afternoon through Saturday evening

Rainfall Total Forecast through this weekend:

- Widespread 4 to 8 inches
- Isolated 9 to 12 inches possible

Based on multiple rounds of heavy rainfall with rates of 2 to 4 inches per hour or higher, the following Flash Flood Messaging is being used. This messaging may need to be scaled up if more extreme rainfall rates occur.

- Stay Put. Do not attempt to travel.
- Underpass and low-water crossings will be life-threatening.
- If caught in a sinking vehicle, get OUT.
- Bayous will likely exceed banks and structure flooding could be possible.
